It's Spirited . . .

Great school spirit was felt in the heart of each student who gazed upon the burning bonfire.

These sharp-looking twirlers added spirit while performing with the pep band during pep rallies.

These fun-loving drummers promoted school spirit by "accompanying" the student body during the yells and chants.

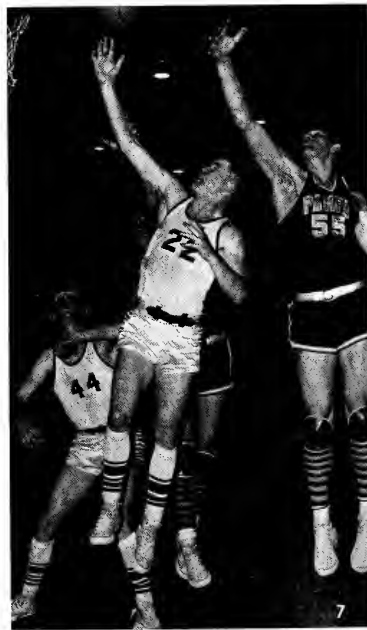

Students show many mixed emotions during the football games.

Perryton Rangers show true school spirit as they fight to win the football game.

David Baker is obviously fouled as he reaches for a rebound during the basketball game with Pampa.

"Hail, Perryton Rangers.
Hats off to you.
Ever you'll find us
Loyal and true.

Firm and undaunted,
Always we'll be.
Hail to the school we love;
Here's a toast to thee."

Seniors lead the student body in the singing of the school song at the close of all school assemblies.

How odd ... Byron finally cracked a smile!

Open your mouth and close your eyes!

Let's do the whisper yell, gang.

Rangers of many sizes, shapes, and flavors urge their team to victory.

Seniors set the pace in hairstyles . . .

CHEESE!!!

Going steady involves much unusual fun . . .

Billy pleads not guilty to Marilyn's accusations. Roger is the innocent bystander, but Joe must surely be an accomplice to the crime.

What's Weber up to now?

Could this be Michaelangelo?

AND MORE FUN

Ready for another million miles on Old Yeller', gang?

Look out below!

Eat, drink, and be merry!!

Well, I imagine! ... A familiar sight down in Lover's Lane.

I'll pinch you on your royal posterior ...

Yeah

Freddy Castro threatens Bobby Khrushchev.

Mirror, mirror on the wall, who's the loveliest of them all?

Oooooh!

All of This Is PHS . . .

Cheerleaders: Leaders of School

In the spring of 1962, Rita Queener, Carolyn McNabb, Diane Loftin, Pam Tate, Linda Cambell, and Paula Wright were elected cheerleaders by the student body. Paula and Linda were appointed head cheerleaders by Cloys Webb, and on their shoulders lay the responsibility of molding the girls into a top rate organization.

Immediately after election the girls started having practice sessions, and they continued practice until it was time to go to camp. While at camp, they brought honor to Perryton by winning two second place awards for competitive yells.

Upon returning home they had one-hour practice sessions every day until school started and the time for the first pep rally and ball game arrived.

"Everywhere we go people want to know who we are so we tell them."

Earmuffs were a necessity for a cold game against Levelland.

l Spirit

RAIN, RAIN GO AWAY!

Just learning yells wasn't the only thing with which the cheerleaders had to deal; there was also the problem of designing and getting a uniform ready, and the late arrival of megaphones and pom poms. Yet as they performed, it was not the costumes or the organization that was admired, but the shining spirit which drove them on.

Paula Wright and Diane Loftin were a big part of the cheerleading campaign to gather wood for the annual bonfire.

Cracking, fleet halfback Ronnie Good broke loose for an 85-yard touchdown return of the opening second half kick-off, the Perryton Rangers broke a six-six mid-point deadlock and went on for an 18 to 6 season opener victory over White Deer on rain-drenched Buck Field Friday evening, Sept. 7.

Threatening but not falling during the first half, the rain began to pour down shortly after the third quarter began. Vision on the field became difficult, and fans went scurrying to their cars or other shelter. Only a handful of hardy rain-soaked spectators remained in the stands, which were almost full when the game began.

Holding a slim one-point edge early in the final period, Perryton's Rangers struck for a pair of touchdowns in the space of 47 seconds to dehorn the Hereford Whitefaces 27-6 on November 2.

Three fumbles hurt the Rangers in the first three periods, while two Ranger touchdowns were nullified by penalties in the process. But Perryton, leading 7-6 at halftime, got the breaks back in the final stanza to break the game open in lightning-fast order.

Dumas Ends Ranger Season With a 36-7 Win

A mighty test faced the Perryton Rangers in their final game of the '62 season on November 22, at 2 o'clock in the afternoon as they took on the state's top-ranked Class AAA ball club, the Dumas Demons. The Rangers had a tremendous task in holding the big Dumas forward wall, which averaged 208 pounds from end to end, but managed to hold them at a 36-7 win. Though having to take defeat, the footballers will readily back the Demons on their road to state victory.

Tribute to a great coach

Joan Reiswig, homecoming queen for 1962, enjoyed reigning over one of the most thrilling games of the season as the Perryton Rangers towered over the Phillips Blackhawks for the first victory since 1947. Ronnie Good, one of the tri-captains of the '62 team, smashed through making both touchdowns, giving Perryton the final score of 14, Phillips 0.

"We're proud of the Rangers" was a familiar phrase around PHS as the squad finished up their first season in class AAA. They acquired the reputation of the "up-setters" after defeating the defending state champions and the number one team in their district. There were several losses throughout the season, but they still received a great deal of recognition and gained an even greater amount of experience.

At 7:30 each morning a sleepy-eyed crew of Rangerettes made their way to the gymnasium to begin the practice which was to bring them an honored name in the 5AA district.

This practice each morning, as troublesome as it might be especially the day after an early morning ride home from an out-of-town game, proved profitable and the girls soon found themselves in the running for district. But their closest rivals, the Spearman Lynxettes, ruined this chance when they defeated the Rangerettes in a 31-15 victory.

Ranger Annual Staff: Records the Year's Activities

EDITOR Barbara Newman

The Ranger staff has many important tasks to accomplish, the most important being to satisfy the student body with a finished annual. Much concentration, hard work, and time are spent in meeting deadlines. Inexperienced staff members must "learn the ropes" quickly in order to add their sections to the completed product. Members of the staff often worked under nerve-wracking tension in order to meet the inevitable seventy page deadline. Nevertheless, valuable experience was gained as the result of the labor.

CO-EDITOR Linda Smith

Many hours are spent in an attempt to understand page layouts and cutlines.

Staff members take an active part in annual sales during pre-school hours and lunch.

Laughter and disgust are typical of the staff members as they work diligently to meet their deadlines.

The Ranger Annual Staff of 1963: Karen Montgomery, Debi Hudson, April Voiles, Linda Smith, Cindy Gruber, Miss Phipps, Charlotte Sanders, Leola Phillips, Carol Newcomb, Rebecca Witt, and Barbara Newman.

El Sombrero: Presents Ranger News

EDITOR Kelly Morris

CO-EDITOR April Voiles

"Stories due Tuesday!" is a familiar cry heard in the third period journalism class. Under the able leadership of the editor, the El Sombrero is published twice each month. Members of the staff are responsible for having stories written by the Tuesday deadline, and they learn other valuable techniques such as proofreading, using copy marks, writing headlines, and making page lay-outs. Through days of hard work, The El Sombrero triumphantly presents P. H. S. with the current news.

Kelly seems to be very angry. She is ready to really give the fire to someone.

Come on, girls! Let's get the articles in on time.

Future Teachers of America

F. T. A. offers students the opportunity to learn more about the teaching profession. A state-wide convention is held each year to which Perryton High School sends several members. Among the many varied activities of the F. T. A. is the student-teacher day held in the spring. Those participating as student teachers learn much about the great responsibility faced by today's teachers.

A Cappella Choir

The A Cappella Choir is the highest choir in P. H. S. It is composed chiefly of upperclassmen, with the exception of a few sophomore members. The members of this choir were chosen after auditions and are among the better musicians of the

school. This group sings for various civic organizations throughout the year and participates in the annual Choir Concert in the spring. The Choir Sweetheart is chosen from this choir.

Concert Choir

The Concert Choir is often referred to as the Sophomore Choir because the majority of the members are sophomores. This group meets during the second period for their daily rehearsal. Performing

several times throughout the year, the choir has made a fine reputation as another outstanding Perryton High School Choir.

Singing Rangers

The Singing Rangers is one of the finest boys' choirs in the state. This group is composed of the male members of the A Cappella Choir. Many clever and familiar songs, as well as many new

melodies, are performed by this organization. Their much envied reputation has made them a favorite organization in P. H. S.

Girls' Choir

The Girls' Choir meets during the sixth period of each school day. This group is composed chiefly of sophomore girls and represents P. H. S. in a very fitting way.

Singing beautiful melodies, the choir performed

in the annual Choir Concert and at the spring contests. The experience gained by these girls is making them potential members of the future choirs of P. H. S.

Senior Class Sponsors

Our graduating year could not have been complete without the help and guidance of our class sponsors. Mrs. McLain's supervision over our Senior Play, Mrs. Love's preparing us for college, Mrs. Champion's work in ordering invitations and gowns, and Mr. McPherson's, Mr. Butefish's, and Mr. Fitzhugh's help in carrying out our Senior Day Trip and other Senior activities - these have made our last year in high school a success; and the class of 1963 says, "Thank you."

We, the Sophomore class of 1962-63, would like to express our appreciation to our fine class sponsors, Mrs. Scott, Miss Phipps, Mr. Fiskin, Mr. Lanham, and Mr. Lee, who gave their time and help to all of us throughout our first year in high school.

Pam and Janet stick together and stay in step.

Aren't the Sophomores industrious?

Be patient, Sophomores. Someday you too will wear the cherished "Senior ring."

Sophomores are escorted around the campus of P.H.S.

Sophomores

Sophomores listen intently as Miss McAninch gives instructions.

We actually caught Weldon in a serious moment.

Leslie and Bobby prove to themselves that work can be fun.

Sophomore "queens" and their escorts live it up at the homecoming dance.

Sophomores participate in many school activities throughout the year. Among these activities are basketball, band, shop, socials, and other activities that make up a successful year in school. One can readily see that this year, their first in P. H. S., will be remembered as one of the most successful.

There's nothing like a good sucker at the cold football games.

Classes didn't phase the sophomores as they joyfully boosted Ranger spirit with their hand-made hex hats.

Anxiously waiting in line for their dinner, Sophomores chat about the day's activities.

Junior High

Dale Parvin, Assistant Perryton Junior High School principal, is serving his fourth year in the Perryton Schools. He believes that Perryton has the best school system he has ever seen, and the student body, faculty, and school spirit is outstanding. Mr. Parvin received his M. E. from West Texas State College.

Mrs. Sue Morgan serves as secretary to both Mr. Champion and Mr. Parvin. Her work is invaluable to the school.

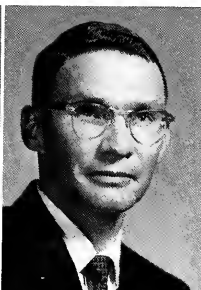

Joe Champion, Perryton Junior High School principal, states that he is working in the finest school system of which he has ever been a part. Mr. Champion received his B. A. from Trinity University, and his M. E. from West Texas State Colleges. Mr. Champion has served us well and will long be remembered.

Special Education

SITTING - Left to Right: Debra Soapes, Raymond Soapes, Sunny Holdeman. ABSENT: David Rankin, Helen Matthews, Loretta Matthews.

Mentally retarded children resemble normal children more than they differ from them. They have the same needs - love, acceptance, encouragement, warmth, and a chance to grow spiritually, physically, emotionally, and mentally. This chance was given to the retarded children of Perryton this year when a special education class was added to the Perryton school system. The trainable class attends school three hours each morning. The essential objectives of this class are social adjustment, self care, and economic usefulness. These three areas include safety, physical training, music, language development and communication. Most of them are making academic progress in reading, writing, and are well-adjusted to school; and they are growing in self-assurance, independence, self-help, and self-respect.
